Thank you for your interest in volunteering for the City of Rock Springs!

Committed volunteers play an important part in shaping Rock Springs' future. As a member of the Board or Commission, you serve as a community adviser to the Mayor and City Council. While volunteer involvement requires time and effort, it also provides an opportunity for genuine public service. In addition, you gain knowledge about the role of City government and its day-to-day operations.

Due to terms and other requirements, there may not be an opening on your desired Board or Commission at this time. However, your application will be submitted to the Mayor for review and, if an opportunity is not immediately available, it will be placed on file for future consideration. Questions about the Board or Commission may be directed to the City Planner at (307) 352-1540.
