Final Budget Message Fiscal Year 2022-2023

Honorable Mayor Timothy A. Kaumo, Council President Keaton West, Councilman Rob Zotti, and City Council Members:

Presented before you is the final budget for fiscal year 2023, encompassing all fiscal year 2022 revenues collected, expenditures paid, open encumbrances brought forward, and carryover amounts determined, as reflected by the proposed budget amendment to be approved by resolution. The final budget is in balance with a transfer from general fund operational reserves of \$2,637,993 to the general fund. The reserves prior to this budget presentation consisted of a cash reserve of \$4,603,554 and an operational reserve of \$11,026,932 for a total reserve of \$15,630,486. After the close of the fiscal year, the cash reserve was adjusted to \$3,827,366 per the requirements of Resolution 94-15, and the operational reserve was adjusted to \$9,165,127 for a total reserve of \$12,992,493. It was anticipated in the prior fiscal year that this money would be needed to balance the fiscal year 2023 budget, as the local economy is still rebounding from the effects of the pandemic.

The assessed valuation for the City increased significantly, from \$230,011,883 in fiscal year 2022 to \$248,991,859 in fiscal year 2023. For this reason, property tax to be received by the City on its approved 8 mills is estimated to increase by \$200,000 from what was budgeted in fiscal year 2022. The sales and use tax revenue for the year ending June 30, 2022 totaled \$17,374,059, compared to \$15,830,625 in the same category for the fiscal year ending June 30, 2021. This is a 10% increase in a key revenue source from last year. In the July 2022 Consensus Revenue Estimating Group (CREG), it was reported that 18 counties saw year-over-year statewide sales and use tax collections. These counties benefited either from a rebound in mineral activities and/or record breaking outdoor and recreation tourism in FY2022. However, the amount collected from the mining industry is still 34% lower than FY2020. Additionally, there is a ballot item in the November General Election to add a countywide specific purpose sales and use tax of 1%; this tax would be used to fund City infrastructure projects in the general fund, water fund, and sewer fund.

The final approved amount of \$1,676,979 for the direct distribution from the State of Wyoming is an increase from the projected amount of \$1,590,788, as anticipated in the proposed budget. The funds are to be distributed in two payments, leaving the State the option of reducing or forgoing the second installment. If the State adjusts or eliminates the second half of the funding, a downward budget revision will be required.

New positions to the budget for the fiscal year include a recreation supervisor, a nuisance officer I, a city building maintenance mechanic II, a water systems operator I, two part-time lifeguards, and two part-time receptionists. The budget, as presented, includes a 5% cost of living adjustment to both salary charts. The only salary chart range movements included were for those employees that reached seven years or more in their position's pay range, and thus moved to the top of that pay range. Workers' Compensation premium rates decreased from 4.53% to 3.96% effective July 1, 2022. Fire Plan B retirement contribution rates also increased from 27.245% to 27.745% on July 1, 2022, but General and Police contribution rates remain the same. In addition, a required promissory note payment for the

Fire Plan A retirement fund unfunded liability was included in the budget at an amount of \$105,882.35. This payment will be required to be paid for the next twenty years. The City has not been allowed to contribute to this Plan since 1997, however the State legislature determined that the City should repay the State for a share of the unfunded liability the Wyoming Retirement System determined was needed to make the plan solvent for existing retirees.

The budget, as presented, also includes funding for several outside entities and joint powers boards. Requests for many of the outside entities were reduced. The City's share of the air service agreement for SkyWest is approximately 250% more than the prior year, due to the rising costs of air service that occurred as a consequence to the pandemic.

The budget, as presented, includes an approved 7% increase in water rates and a 5% increase in sewer rates.

Director of Administrative Services

NOTICE OF PUBLIC HEARING

Notice is hereby given of a public hearing for consideration of the City of Rock Springs Proposed Budget for the fiscal year ending June 30, 2023. Said hearing will be held in the City Council Chambers in City Hall, 212 D Street, Rock Springs, WY, on the 21st day of June, 2022, at 7:00 pm. At this time any and all interested persons may appear and give comment regarding said budget. Persons needing assistance or aid should contact the City prior to the meeting by calling 352-1500.

Final Budget For Urban Renewal/Main Street

The Rock Springs Urban Renewal/Main Street Agency is one of the three winners of the 2018 Great American Main Street Award. The award is selected by a national jury of community development professionals and leaders in the fields of economic development and historic preservation, award winners serve as exceptional models for comprehensive, preservation-based commercial district revitalization. These awards were made possible through support from U.S. Bank. In addition the NMSC recognized Rock Springs Main Street for their leadership in rallying community members and transforming the downtown district into a thriving destination.

Due to the efforts of the Rock Springs Urban Renewal/Main Street Agency and the can-do attitude of the community, today downtown Rock Springs has a vibrant local economy and cultural scene. The Freight Station, a signature structure in the downtown district that had been abandoned for more than 30 years, is now a vibrant community center that bustles with weekly events. It also houses the Visitors Center where travelers can get recommendations and learn about the rich history of downtown. Entertainment is also easy for visitors to find thanks to the newly refurbished Broadway Theater (which seats 370) and the Community Fine Arts Center. Shopping and restaurant options abound with over 15 local bars and restaurants to choose from and over 30 unique, locally-owned boutique shops.

A strategic long-range preservation plan for downtown Rock Springs, dubbed Vision 2020, was created with strong community input and details redevelopment initiatives that will help foster economic and social vitality. Renovation projects include commissioning art installations, reinventing a neglected community garden, adding more recreational opportunities, improving downtown housing, and redeveloping vacant buildings and lots.

Final Budget For Emergency Management

The Rock Springs Fire Department is a public service organization established to provide emergency and non-emergency assistance to the community for the protection of lives, health, environment, and property through education, prevention, mitigation, and control. The Rock Springs Fire Department was created and authorized on August 4, 1904 by Rock Springs City Ordinance. Over the past 100 years the operations and makeup of the Rock Springs Fire Department has changed immensely. The levels and types of services the department delivers are based on local needs as well as state and national trends. Over the years, several changes and paradigm shifts have been made to increase the level of service provided to the citizens of Rock Springs. Today 35 personnel, working three 24-hour shifts, responding from three stations meet the needs of the City.

Emergency response is only a small part of the duties that the Rock Springs Fire Department performs. However, being prepared for that emergency response is a large part of why the department exists. Emergency response includes: fire suppression; wildland - urban interface fire suppression; emergency medical first response; hazardous materials response; vehicle extrication; non-permit and permit required confined space rescue; high and low angle rope rescue; and animal rescue. Prevention and readiness activities make up the balance of the Rock Springs Fire Department's services.
