Street Crimes

Press Release

Chief Pacheco announces that:

On September 22, 2015 at approximately 1723 hours, Dispatch received a call concerning a young girl wandering the area of 1508 9th Street without supervision.

Officers and Detectives from the Street Crimes Unit responded to the area and made contact with the owner of the residence located at space #60, who was identified as Sara Dennison (Burris). Dennison was advised of the nature of the visit and of the concerns for the welfare of her child.

Once inside the residence, contact was made with Levi Hall. Dispatch advised Hall, 26, had an active Sweetwater County Warrant for his arrest. He was subsequently placed under arrest for the warrant and was transported to the Sweetwater County Jail.

While in the residence, Detectives observed a small amount of a green leafy substance on top of the dresser in the bedroom identified as belonging to Dennison. Next to the green leafy material was a partially consumed hand-rolled cigarette, also containing a green leafy substance inside. The green leafy substance on top of the dresser was field tested and was found to be presumptive positive for Marijuana.

A narcotics related search warrant was then obtained for the home and the subsequent search revealed several items of drug related paraphernalia, as well as a misdemeanor amount of a green leafy substance which was field tested and found to be presumptive positive for Marijuana.
