Subject: One Vehicle Rollover Ends Without Major Injury

Chief Pacheco announces that:

On October 1st 2015 at approximately 3:15 p.m. officers responded to a call of a one vehicle rollover on the South Side Belt Route near New Hampshire.

Upon arrival, officers made contact with the driver and two passengers of the car involved. No one was severely injured in this accident, however all occupants were cited for not wearing a seatbelt.

The cause of the accident is still under investigation, but it is believed that a white SUV passed the victim vehicle immediately preceding the crash causing the driver of the vehicle to attempt to stop quickly. The white SUV is believed to be either a GMC Acadia or a Chevrolet Traverse.

If anyone has information regarding a vehicle matching this description or the driver of the white SUV, please call 307-352-1575.

Rock Springs Police Department would like to remind citizens of the importance of wearing your seat belt at all times.
