MEDIA RELEASE

ROCK SPRINGS POLICE DEPARTMENT ALONG WITH THE DEA ARE TAKING BACK UNWANTED PRESCRIPTION DRUGS THIS SATURDAY OCTOBER 22 AT ALBERTSONS AND SMITHS IN ROCK SPRINGS

Rock Springs, WY – On Saturday, October 22, from 10 a.m. to 2 p.m. the Rock Springs PD and the Drug Enforcement Administration (DEA) will give the public its 12th opportunity in six years to prevent pill abuse and theft by ridding their homes of potentially dangerous expired, unused, and unwanted prescription drugs. Bring your pills for disposal to either Smiths or Albertsons in Rock Springs. (The DEA cannot accept liquids or needles or sharps, only pills or patches.) The service is free and anonymous, no questions asked.

If you are unable to make it to one of the drop locations on Saturday, there is a drop box located in the lobby of the Rock Springs Police Department that is accessible 24 hours a day/7 days a week. It is easy, there are no questions asked, and only takes a minute to drop them off.

Last April, Americans turned in 447 tons (over 893,000 pounds) of prescription drugs at almost 5,400 sites operated by the DEA and more than 4,200 of its state and local law enforcement partners. Overall, in its 11 previous Take Back events, DEA and its partners have taken in over 6.4 million pounds—about 3,200 tons—of pills.

This initiative addresses a vital public safety and public health issue. Medicines that languish in home cabinets are highly susceptible to diversion, misuse, and abuse. Rates of prescription drug abuse in the U.S. are alarmingly high, as are the number of accidental poisonings and overdoses due to these drugs. Studies show that a majority of abused prescription drugs are obtained from family and friends, including from the home medicine cabinet. In addition, Americans are now advised that their usual methods for disposing of unused medicines—flushing them down the toilet or throwing them in the trash—both pose potential safety and health hazards.

For more information about the disposal of prescription drugs or about the October 22 Take Back Day event, go to the [DEA Diversion website](#) .
