

# Written Test Information

Congratulations on deciding to apply to become a Police Officer! All applicants are required to pass a written exam that conforms to the Wyoming Peace Officers Standards and Training (POST) criteria. The test consists of four (4) sections that will measure the applicant's basic math and problem solving, reading comprehension, grammar and writing. Each applicant must have a minimum score of 70% in each section with an overall average of 75% to be considered passing. A written exam will be held during testing.

An applicant may also schedule a time to take the written test through the Wyoming Peace Officers Standards Training Commission (POST) prior to the department's entry level testing. To schedule the test please contact POST at 307-777-7718. Exams are given by appointment only and the cost of the exam is \$35 payable in CASH. If an applicant has taken the POST test, we will accept passing scores that are 75% or better within 1 year of our testing date.
