Hi JJ. We need space from you and Mike starting the 20th through the 2nd. If you can please give me some times and I can have our coaches sign up at our draft tomorrow night at the Civic Center. I can bring you a check this morning. Let me know how much. I make a couple changes to the schedule. I was going to talk to our coaches at the draft. We might take out a couple 3/4 games to give the coaches extra practice days. That league plays 2 extra games over the 5/6 because of the numbers. Last year was the a little worse and the coaches asked us to give them fewer games and more practice times. I will know for sure the end of this week.
