Franchise Right and  
Allowing Assignment.**

**11-201            Granting Right of Way for  
Poles and Lines.**

The Union Pacific Railroad Company was granted a right-of-way to erect poles and lines for the purpose of operating and maintaining an electrical system in Rock Springs. (Ord. No. 17, 8-8-04; 38-2(a), Rev. Ord. 1938; Rev. Ord. 1963).

**11-202            Amendment Expanding  
Franchise Right and Allowing  
Assignment.**

An Ordinance to amend and re-enact the Electric Light Ordinance No. 17, known as chapter XLIII, of the Ordinances of the Town of Rock Springs, Wyoming, published by Authority of the Town Council of the Town of Rock Springs, 1905, by providing for the assignment of the franchise granted thereby, and extending such franchise to permit the use of the appurtenances and appliances erected under said Ordinance No. 17, for the transmission of electricity for heat and power. (Ord. No. 217, 12-10-23; 38-2(b), Rev. Ord. 1938; Rev. Ord. 1963).
